In the history of black urban uprisings, Baltimore is one of very hat burned despite substantial black representation in the city gover lice force. And that bodes ill for the belief that harmony can be achie ng a few blacks to positions of power within a system that leaves so rished. American cities cannot avoid unrest by simply placing black helm, as long as progress for so many is ephemeral. An unjust syster t unjust no matter the ethnicity of its caretakers.

9. Yet there is so much irony in Deputy Warden Kathleen Landerkin's tweets and belief system.

Just like many Democrats, she complained about a "stolen election" and wanted President Trump locked up, but now tortures people who rioted at the Capitol over a stolen election

7 Deputy Warden Kathleen Landerkin clearly has a particular disdain for me.

Like many, she wrongly thinks J6 was an #insurrection even though NO ONE has been charged with insurrection.

And all I did was legally object to electoral college votes.

Does she want to abuse me too?

4. The FBI has targeted and arrested Americans who were at the Capitol on J6 and the Biden DOJ charged them.

And it's been nearly a year for pretrial J6 defendants under abuse by the Deputy Warden of the DC Jail, Kathleen Landerkin, who agrees w/ riots.

But only BLM riots.

7 Deputy Warden Kathleen Landerkin clearly has a particular disdain for me.

Like many, she wrongly thinks J6 was an #insurrection even though NO ONE has been charged with insurrection.

And all I did was legally object to electoral college votes.

Does she want to abuse me too?

15 Christian pretrial J6 defendants held in the DC Jail are also denied chapel and communion under Deputy Warden Kathleen Landerkin.

According to her tweets she doesn't like seeing Bible verses in her timeline and wants white people to be extinct.

And she's white

16. Deputy Warden Kathleen Landerkin who is abusing pretrial J6 defendants & not treating them "presumed innocent until proven guilty" thinks convicted felons should vote & recommends pocket constitutions.

And she wants President Trump in jail.

Lin keeping Kyle in jail instead of bailing him out with ALL that money donated FOR Kyle is absolutely evil.

Lin should go to jail for what he did to Kyle.
I also fully blame him for why Georgia lost our Senate seats.
He's from Georgia and we know him as a life long Democrat not a Republican.
He grifted off of Trump & told people not to vote on Jan 5th saying their vote would be stolen.

I've told everyone what a horrible person Lin Wood is and if you watched @TuckerCarlson tonight then you heard from Kyle Rittenhouse one of the reasons why I think so.

Lin keeping Kyle in jail instead of bailing him out with ALL that money donated FOR Kyle is absolutely evil.

Lin should go to jail for what he did to Kyle.
I also fully blame him for why Georgia lost our Senate seats.
He's from Georgia and we know him as a life long Democrat not a Republican.
He grifted off of Trump & told people not to vote on Jan 5th saying their vote would be stolen.

It is time for House GOP leadership to remove all Republicans from the GOP Conference who are aiding the bogus 1/6 Committee. It's illegitimate as it has silenced the GOP minority. It's time to hold Reps Cheney and Kinzinger accountable for their collusion. It's time to act.

Lin should go to jail for what he did to Kyle.
I also fully blame him for why Georgia lost our Senate seats.
He's from Georgia and we know him as a life long Democrat not a Republican.
He grifted off of Trump & told people not to vote on Jan 5th saying their vote would be stolen.

Warden Kathleen Landerkin

FOR IMMEDIATE RELEASE
December 16 2021

WASHINGTON D C -- Today, Congresswoman Marjorie Taylor Greene and 13 of her colleagues in the House of Representatives sent a letter to the Washington D.C. Mayor Muriel Bowser demanding the immediate termination of Kathleen Landerkin as Deputy Warden of Operations at the Central Treatment Facility (CTF) in Washington D C.

As stated in the letter, Deputy Warden Landerkin has "demonstrated a consistent pattern of disrespect for Members of Congress and fellow corrections staff, in addition to displaying a public animus toward anyone who supports President Donald J Trump."

Landerkin has endorsed numerous statements which are blatantly anti-American and reprehensible: among others, equating Christians to the Ku Klux Klan (KKK), stating that Ashli Babbitt was responsible for being shot on January 6, labeling the President a "f**king Republican hypocritical piece of sh*t" and "a pig," abolishing the electoral college, and advocating that Speaker Pelosi punish Republican Members of Congress for objecting to the certification of electoral ballots by not seating them as duly-elected Representatives.

"Kathleen Landerkin is the Deputy Warden of the D C Jail in charge of the unit housing the January 6th pre-trial detainees She calls them white supremacists. She hates President Trump and hates anyone who supports him." **Congresswoman Marjorie Taylor Greene** said in a statement regarding her letter.

Congresswoman Greene continued, "This is the woman in charge of the atrocious conditions that I witnessed when I toured the jail after she locked me out on several attempts to conduct oversight. Kathleen Landerkin should be fired immediately."

The 14 signers of the letter strongly implore Mayor Bowser to remove Landerkin from

Mayor Muriel Bowser, demanding the immediate termination of Kathleen Landerkin as Deputy Warden of Operations at the Central Treatment Facility (CTF) in Washington D.C.

As stated in the letter, Deputy Warden Landerkin has "demonstrated a consistent pattern of disrespect for Members of Congress and fellow corrections staff. In addition to displaying a public animus toward anyone who supports President Donald J. Trump."

Landerkin has endorsed numerous statements which are blatantly anti-American and reprehensible, among others, equating Christians to the Ku Klux Klan (KKK), stating that Ashli Babbitt was responsible for being shot on January 6, labeling the President a "f**king Republican hypocritical piece of sh*t" and "a pig," abolishing the electoral college, and advocating that Speaker Pelosi punish Republican Members of Congress for objecting to the certification of electoral ballots by not seating them as duly-elected Representatives.

"Kathleen Landerkin is the Deputy Warden of the D.C. Jail in charge of the unit housing the January 6th pre-trial detainees. She calls them white supremacists. She hates President Trump and hates anyone who supports him," **Congresswoman Marjorie Taylor Greene** said in a statement regarding her letter.

Congresswoman Greene continued, "This is the woman in charge of the atrocious conditions that I witnessed when I toured the jail after she locked me out on several attempts to conduct oversight. Kathleen Landerkin should be fired immediately."

The 14 signers of the letter strongly implore Mayor Bowser to remove Landerkin from

1. One of the biggest holes in the lie about J6 being a planned insurrection is that all the people there were unarmed.

Anyone with half a brain knows that gun owners only leave their firearms at home when they don't feel the need to carry a gun or are obeying the law.

2 If a group of elected officials, who support the second amendment, actually organized an insurrection with the people who own guns, then they would have brought guns to the so called "planned insurrection."

There was no planning and we ALL denounced the riot.

3 The real issue is that the Capitol was left unprotected by those in charge of protecting it.

Denying President Trump's pre-J6 requests of bringing in the National Guard put everyone in danger

And the bad actors incited the riot.

The American people aren't buying the lies.

Capitol must end immediately in the DC Jail. In the court systems, & other prisons & jails other J6 defendants are being held in across the country.

They should be released & home until their court date.

20. I was shocked and upset by the riot on J6 and will never defend the violence of that day.

But I will stand up in the face of authoritarian political warfare and the two tiered justice system being weld against Trump supporters.

We ALL should!

And never allow it again.

20. I was shocked and upset by the riot on J6 and will never defend the violence of that day.

But I will stand up in the face of authoritarian political warfare and the two tiered justice system being weld against Trump supporters.

We ALL should!

And never allow it again.

7 Deputy Warden Kathleen Landerkin clearly has a particular disdain for me.

Like many, she wrongly thinks J6 was an #insurrection even though NO ONE has been charged with insurrection.

And all I did was legally object to electoral college votes.

Does she want to abuse me too?

7 Deputy Warden Kathleen Landerkin clearly has a particular disdain for me.

Like many, she wrongly thinks J6 was an #insurrection even though NO ONE has been charged with insurrection.

And all I did was legally object to electoral college votes.

Does she want to abuse me too?

16. Deputy Warden Kathleen Landerkin who is abusing pretrial J6 defendants & not treating them "presumed innocent until proven guilty" thinks convicted felons should vote & recommends pocket constitutions.

And she wants President Trump in jail.

Just like many Democrats, she complained about a "stolen election" and wanted President Trump locked up, but now tortures people who rioted at the Capitol over a stolen election

I met Morss on my tour in the DC jail. He told me of this abusive strip search by the guards who work under the abusive oversight of Trump hating radical leftist Deputy Warden Kathleen Landerkin.

Morss has been through absolutely horrific pretrial punishment.

All of them have.

Julie Kelly @JulieKelly2
Morss was moved from DC Gulag to another jail after being subjected to abusive strip search by gulag jail guards.

DOJ accused Morss of using his military training as an Army

The Patriot purge has begun in the military.

Joe Biden is responsible for firing healthy military men and women right before Christmas for choosing to trust their natural immunity.

President Trump would have never treated our military this way. He loves and supports our troops.

Imagine being held in solitary confinement 23 hours/day by Deputy Warden Landerkin, who doesn't want a border wall to keep out people breaking our laws & illegally invading with human trafficking & drugs.

13. I didn't even see a TV in the "MAGA wing" of the DC Jail when I was there.

Deputy Warden Kathleen Landerkin tweets "no @FoxNews" shown on the TV's in her jail.

But I did see men who were serving time for murder enjoying watching a Pro football game.

7 Deputy Warden Kathleen Landerkin clearly has a particular disdain for me

Like many, she wrongly thinks J6 was an #insurrection even though NO ONE has been charged with Insurrection

And all I did was legally object to electoral college votes

Does she want to abuse me too?

4. The FBI has targeted and arrested Americans who were at the Capitol on J6 and the Biden DOJ charged them.

And it's been nearly a year for pretrial J6 defendants under abuse by the Deputy Warden of the DC Jail, Kathleen Landerkin, who agrees w/ riots.

But only BLM riots.

Pathetic.

It's absolutely disgusting that @SenateGOP allows this to happen.

Republicans in the Senate could stop decades of Marxist judicial tyranny but instead either don't bother to show up and vote or actually vote to confirm Biden's noms.

R Senators are clueless about the R base!!!

> Overnight, the Senate confirmed Biden's 40th judge, the most since Reagan, who also got 40 judges confirmed in his first year. Biden's confirmed judges also far surpass the number of judges Trump got confirmed in his first year (18)

Good morning Deputy Warden @awkathyjo,

How's the DC Gulag this morning?

You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.

It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.

Fuck everyone who supports Trump.

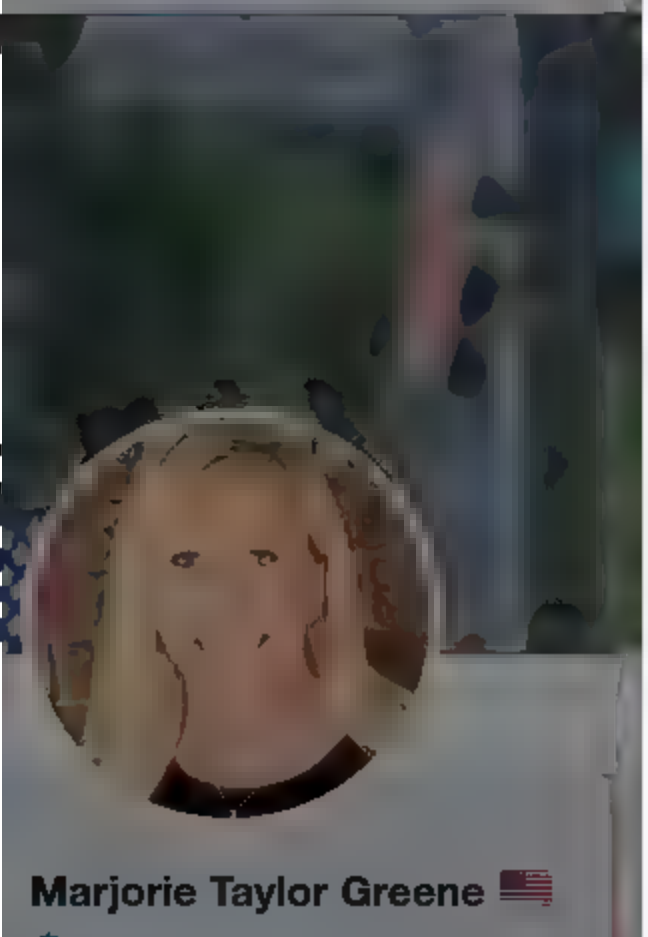
Good morning Deputy Warden @awkathyjo,

How's the DC Gulag this morning?

You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.

It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.



Fuck everyone who supports Trump.

6. In cities all over America, BLM violence raged but over 90% of the charges have been dropped.

Why is violence, rioting, and lawlessness a just cause when it comes to BLM but the same actions are unjust when it comes to elections and President Trump?

As Biden releases his new vaccine enforcement plan today, how many people have died of the mild variant Omicron?

None, I hear.

How many healthy unvaccinated people are getting fired or forced to quit right before Christmas?

Will we ever really know?

If Joe Biden cares at all about saving lives then he'll mass produce monoclonal antibodies & Ivermectin.

His 1,000 federal doctors he is sending should treat patients with these life saving treatments.

Anything less is a continued failure.

Again how many have died of Omicron?

Democrats who are responsible for devastating rising inflation, terrible crime, invasion at our border are now trying to incriminate healthy unvaccinated Americans as the cause of #COVID19.

There is only one person to blame.

Dr Anthony Fauci.

Dr Frankenstein's science did it.

The concept of natural immunity just kind of disappeared after the checks were written for vaccines. That's how political science works.

Rep. Matt Gaetz @RepMattGaetz

Gaetz: "If natural infection immunity resulted in some windfall profit to some industry, wouldn't it be more part of the discussion here in Washington?"

11 more months Marc.

With out of control inflation hurting families, national security crisis from Democrats open borders, and constant growing authoritarian control from your clients, this is clear desperation going into '22.

Here's our short list.

My prediction for 2022: Before the midterm election, we will have a serious discussion about whether individual Republican House Members are disqualified by Section 3 of the 14th Amendment from serving in Congress.

I know many Hispanics.

I am astounded at the loss of support Biden has in the Hispanic community.

Not just Biden. Democrats in general.

They see Democrats molding from Socialism to Communism.

And it terrifies them.

They left their homes to get away from this, not for it.

This is the brutal reality that every American is facing bc of the Democrats aggressive control over the economy.

Out of control inflation that hurts the middle class and the poor the most.

There just aren't enough tax credits or stimulus checks from @SpeakerPelosi to fix this.

House Republicans @HouseGOP

CBS News reports that inflation has hit its "highest annual increase in nearly 40 years."

The reason?

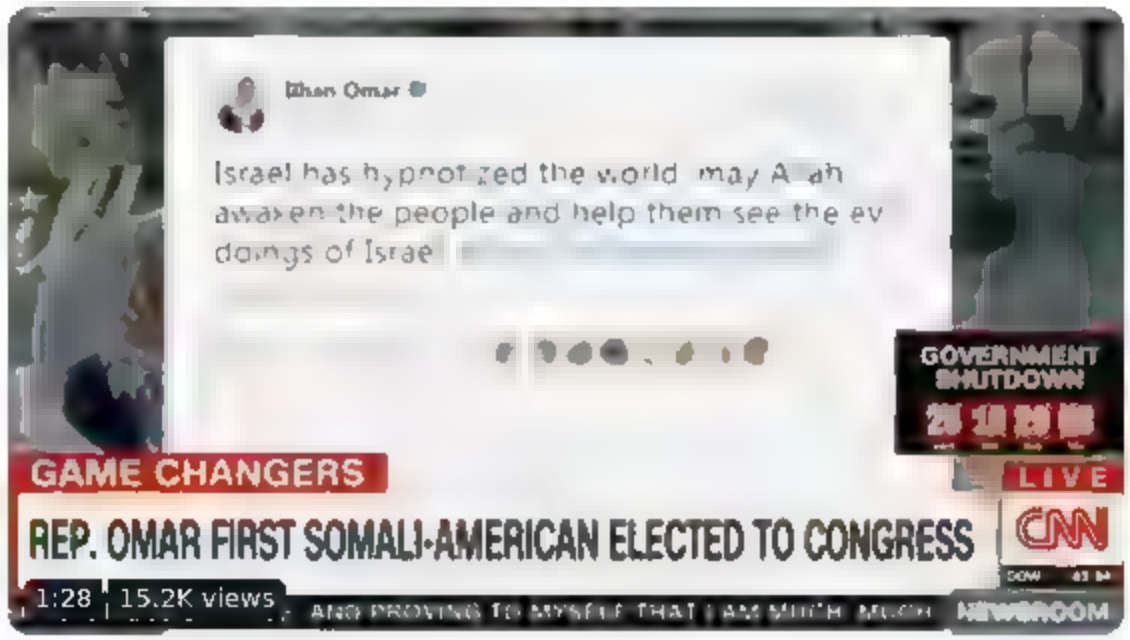
Mocking Americans.

Equating America with terrorists.

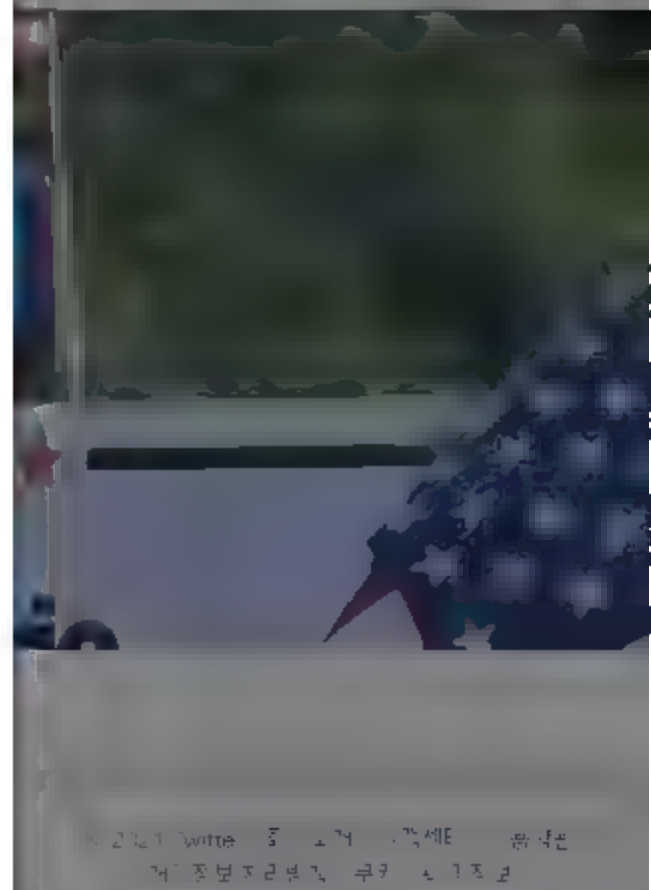


Downplaying 9/11: “Some people did something”

And now she wants to condemn others?

Do they want you to forget?

Who are the real bigots? The Jihad Squad.



And we will NEVER forget.

The Commies shouldn't have mandated all doctors, nurses, and healthcare workers who aren't vaccinated be fired.

With their strong natural immunity from being on the frontlines when the Fauci/Wuhan bio weapon first hit makes them perfect to work in hospitals now for mild Omicron.

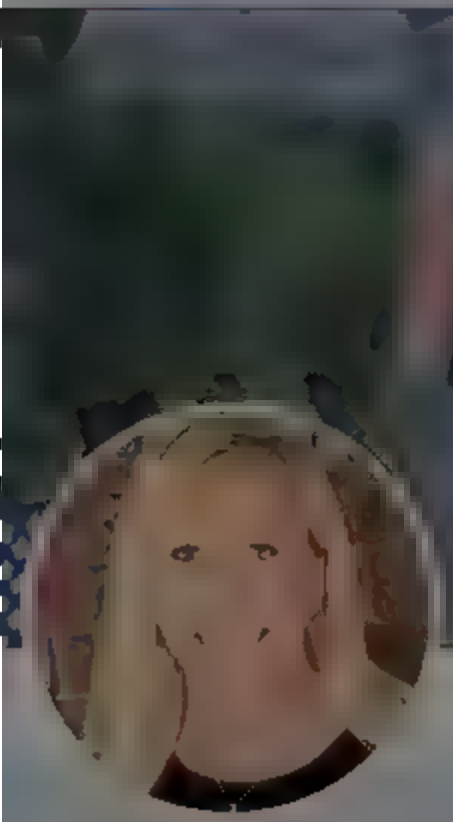
.@MayorBowser you've really set yourself up for serious lawsuits.



Your unwarranted authoritarian abuse of power will devastate businesses, cause people to be fired, deny people the right to gather for church & more!

Omicron is mild, people aren't stupid.

And Virginia is open.

Just another reason to bring all of our manufacturing back home and never allow the government to force us to rely on China's electric vehicle batteries to drive.
China dominates at over 85% & America is less than 5%.
They will destroy our economy in the name of covid shutdowns.

This is Ray Epps.
He organized and told people to go in the Capitol and they called him a "Fed."
I did not meet Ray Epps in the DC Jail.
He was not there under the abusive detention of Trump hater Deputy Warden Kathleen Landerkin.
FBI hasn't arrested him
Why not?
He should be.

Video shows the pipe bomber on their cell phone on J5.

A person placing pipe bombs at the RNC and the DNC was targeting both political parties the night before the J6 Capitol riot.

Those should be the phone records subpoenaed.

Why don't they care about the pipe bomber?

Jack Posobiec @JackPosobiec
Notice J6 Committee never even mentions the p pe bomber

I witnessed firsthand the degrading and awful condition of the J6 defendants in the DC Jail.

The two tiered justice system that is blatantly obvious in the treatment of pretrial J6 defendants must end.

Deputy Warden Kathleen Landerkin of the DC Jail must be fired.

The Fauci funded Wuhan lab created virus has been the most damaging to our children because of the government controls to supposedly save lives.

From damaging their education to continuous masking and now unnecessary forced vaccinations, it's all harmful to our kids.

Just stop.

Absolutely true.

The vaccines are failing and the Democrats are tyrants.

The entire effort should be focused on life saving treatments and returning life to normal.

Wide open.
No masks.
No mandates.
No discrimination.

That is his position.

China!

We should be holding those who made the virus accountable, not fighting one another.

And protecting our freedoms while promoting life saving treatments, and giving the vaccines to those who want it.

Not forced.

President Trump put tariffs on China against many people s criticism and it was working!

Now Biden is handing Americans over to full dependency on the very enemy who sent us the deadly virus that s now politicized to control us all.

Yes J6 scam committee has weaponized its powers against its political enemies.

Now how do voters feel about pretrial J6 defendants being held in solitary confinement over Christmas for absolutely no reason at all?

Do they think Deputy Warden Kathleen Landerkin should be fired?

His attorney says they retaliated against him for being in the pic on the cover of my J6 Jail report and for the meeting he had with me when I toured the jail, even though his face was blurred out of pic.

He was transferred to Northern Neck after my visit to the DC Jail.

His attorney @McBrideLawNYC and his wife are very concerned that he could die because he's being denied medical treatment and has not had a diet without gluten since he's been in jail since Apr

Chris Quaglin is 2x vaccinated & covid positive & now in Solitary Confinement.

Again this man in being held PRETRIAL in solitary confinement with serious medical conditions and no treatment.

He didn't kill or rape anyone, hurt children, run over people in a Christmas parade, or illegally invade our border

Notice I'm not defending his crime like you're judging Chris Quaglin for what he did on J6. I'm just saying torture and solitary confinement is WRONG for anyone and calling it out.

@ryanjreilly is arguing against due process.

Even if you accept every single allegation that Chris is charged with as true. It does NOT change the fact that (1) he is entitled due process or (2) we do not TORTURE citizens for political disobedience. Even violent disobedience.

4. For everyone that criticizes Pres Trump about when covid started with shoulda's coulda's and woulda's, I think he and his administration did the best they could.

The virus was brand new and we'd never seen anything like it.

Biden deserves the criticism.

He has no excuses.

Good morning Deputy Warden @awkathyjo,

How's the DC Gulag this morning?

You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.

It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.

Fuck everyone who supports Trump.

Yes J6 scam committee has weaponized its powers against its political enemies.

Now how do voters feel about pretrial J6 defendants being held in solitary confinement over Christmas for absolutely no reason at all?

Do they think Deputy Warden Kathleen Landerkin should be fired?

Rasmussen Reports @Rasmussen_Poll

"Do you agree or disagree with this statement: The House committee investigating the January 6 riot is a "partisan committee that has weaponized its powers against innocent Americans"?"

Pretrial J6 defendant Chris Quaglin lost 10 pounds in 10 days in Northern Neck & is in solitary confinement.
He has celiac disease & is given a gluten laden diet daily.
He's being denied medical treatment and is gravely ill.
He also tested covid+ today.

The range of genetic risk for individuals with a celiac disease-associated genotype is 1:41 (0.25%) to 1:14 (7%). See table "Genetic Risk from HLA-DQA1/DQB Genotypes" on page 2.

The ACTUAL risk for this individual to have celiac disease may be significantly higher if there are symptoms of celiac disease, small bowel damage consistent with celiac disease on endoscopic biopsy, or family members with celiac disease.

Celiac disease is associated with genetic variations in the HLA-DQ genes. DQ2 and/or DQ8 proteins, encoded by these genes, are found on the surface of most cells in the body. These proteins help the immune system tell the difference between the body's own proteins and proteins from outside the body, such as bacteria and viruses. Most people with celiac disease have the DQ2 protein, encoded by the DQA1*05 and DQB1*02 alleles. Nearly all of the remaining people with celiac disease have the DQ8 protein, encoded by the DQA1*03 and DQB1*03:02 alleles. Rarely, people have celiac disease but do not have the DQ2 or DQ8 proteins. Because the HLA-DQ genes are so important to the immune system, they have many variations. Some of these variations are associated with an increased risk for developing celiac disease.

This test was performed using Polymerase Chain Reaction-Sequence Specific Oligonucleotide Probes (PCR-SSOP) technology on the Luminex platform. The test can also be used by the U.S. Food and Drug Administration approved, research, and clinical Sequence-Based Typing (SBT) and Sequence Specific Primers (SSP) may be used as supplemental methods when necessary. This test examines HLA-DQA and DQB genotypes and cannot detect abnormalities elsewhere in the genome. It should be noted that there are many possible causes of diagnostic error including sample misidentification, clerical errors, biological variation of PCR reactions are rare genetic events that can affect results.

To malign competitors who have more success, corporate outlets accuse them of catering to an insular like-minded audience. Pure projection! That's what The Atlantic/NewYorker axis does. speaks only to mainstream liberals & David Frum types. That s why they lost their influence

Over the last decade, corporate outlets decided their only profit model was to feed a specific ideological camp a non-stop orgy of validation and flattery. That's why so many fail: Vice/Gizmodo/HuffPost/Vox = NYT/NewYorker/Atlantic. Same ideology, no dissent: purely insular.

As their audience, prestige and influence rapidly erodes, the go-to line of attack for old corporate outlets is to claim that their more successful, more independent competitors only speak to a homogenous audience. That s true of *them* we speak to a diverse range of readers.

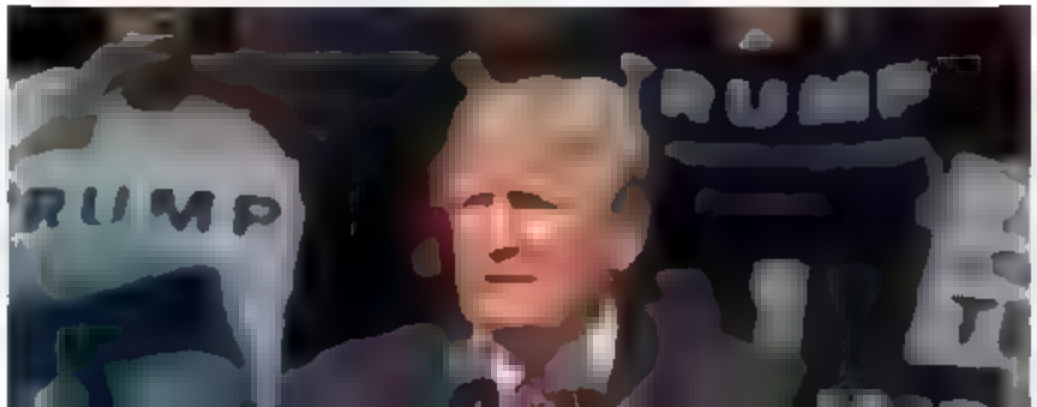
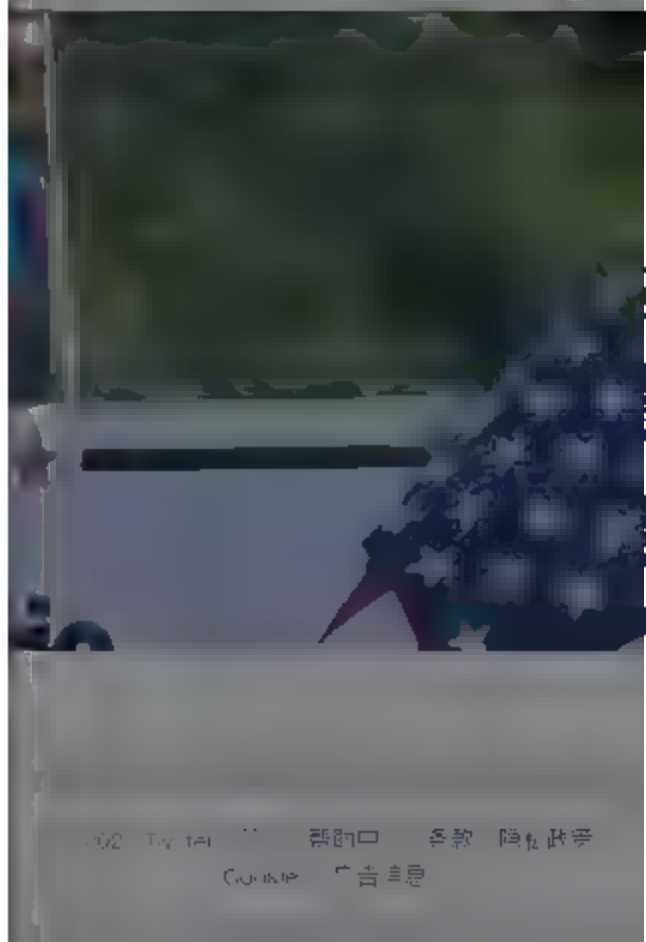
Good morning Deputy Warden @awkathyjo,

How's the DC Gulag this morning?



You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.



It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.

Monoclonal antibodies are life saving treatments against #Covid.

Ivermectin, HCQ, and other protocols work.

It is purely criminal to limit or deny use of these treatments against Covid.

The government should be making these treatments widely available instead of test kits.

1. You know what is necessary about threatening a divorce?

It's a wake up call to the one offending the other that they've had enough.

And if the other party cares at all, they look at what they are doing wrong and care to fix it.

National Divorce is not civil war.

I've been married 26 years, clearly I'm not in favor of divorce.

Happy marriages are the result of 2 committed people working together resolving differences and changing behavior that hurts the other.

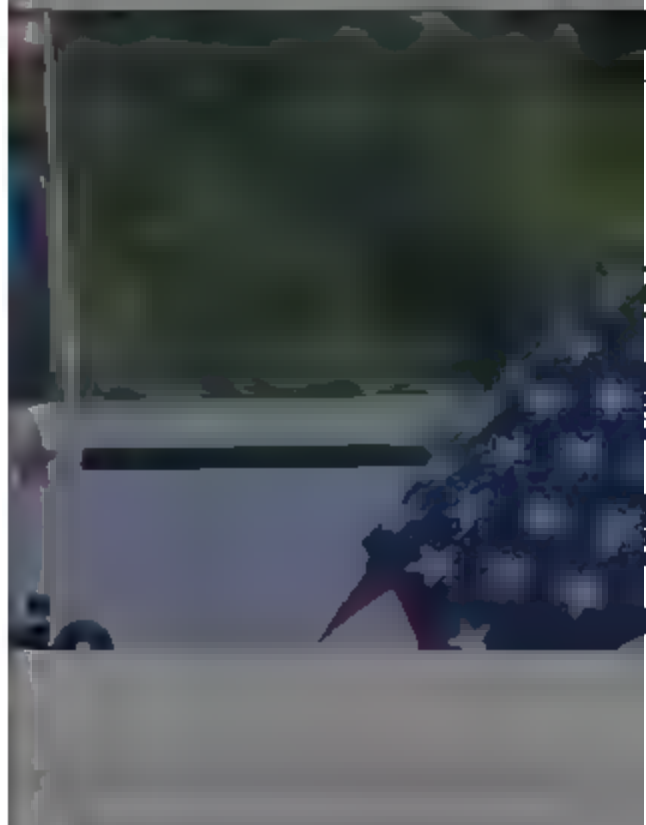
Good morning Deputy Warden @awkathyjo,

How's the DC Gulag this morning?

You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.



It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.

Fuck everyone who supports Trump.

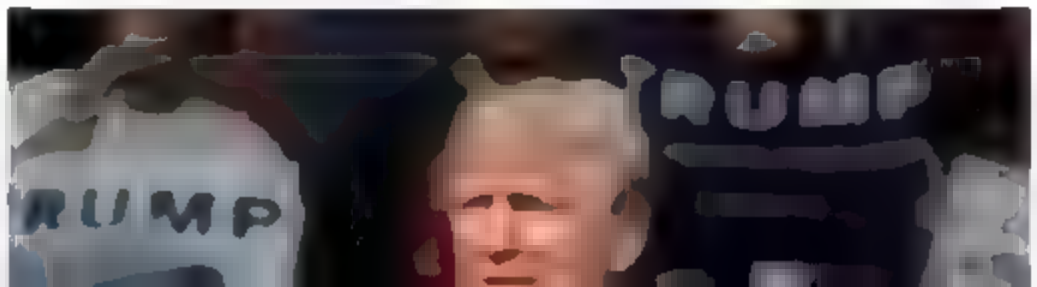
Good morning Deputy Warden @awkathyjo,

How's the DC Gulag this morning?



You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.

It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.

Fuck everyone who supports Trump.

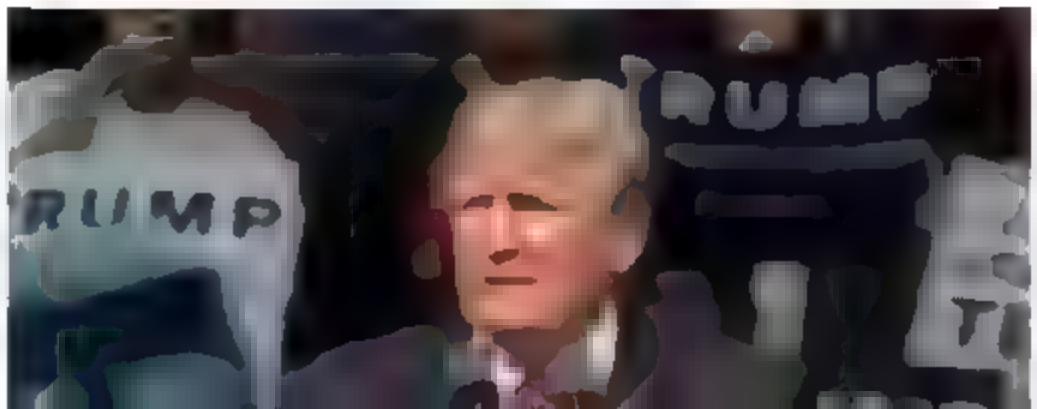
Good morning Deputy Warden @awkathyjo,

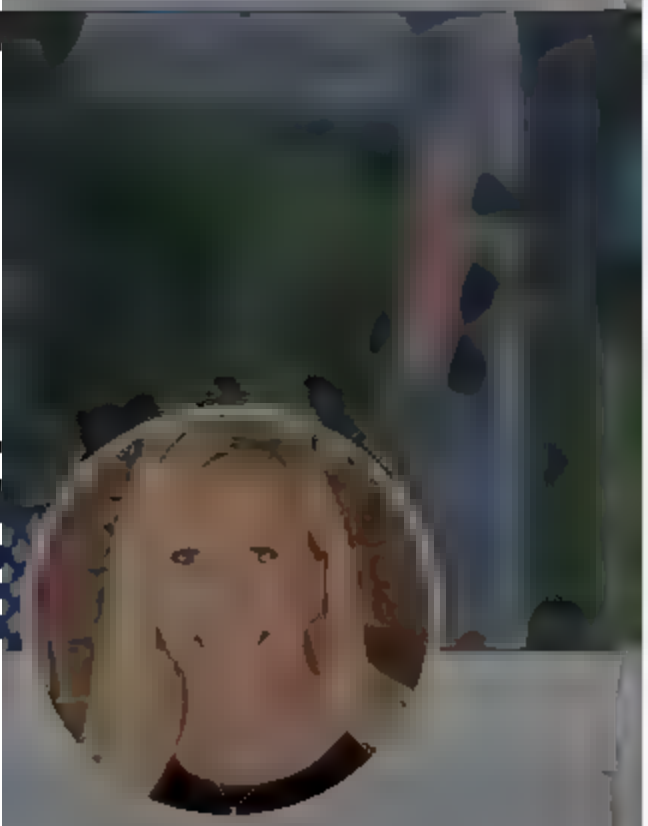
How's the DC Gulag this morning?



You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.

It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.



Fuck everyone who supports Trump.

Aww @AOC this is so cute

Did your martini taste a bit hypocritical?

Don't you just love the freedom Republicans give you in Florida?

No masks or vaccine mandates.

No stifling communist policies you constantly legislate & vote for.

Cheers to freedom!

Yes J6 scam committee has weaponized its powers against its political enemies.

Now how do voters feel about pretrial J6 defendants being held in solitary confinement over Christmas for absolutely no reason at all?

Do they think Deputy Warden Kathleen Landerkin should be fired?

Jeffrey Epstein's entire network should be made public and his fortune should go to his victims.

If the fake J6 committee can subpoena innocent people's cell phone data and bank records then Jeffrey Epstein's whole network should be publicized.

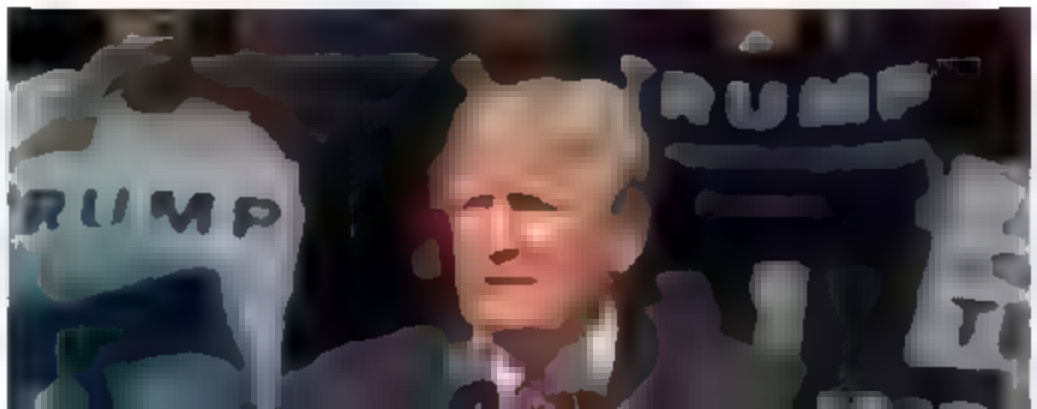
Good morning Deputy Warden @awkathyjo,

How's the DC Gulag this morning?



You are responsible for human rights violations in the DC Jail and torture and abuse of pre-trial defendants.

It's clearly bc of your extreme political views.

But you're not alone, many are guilty too.

Fuck everyone who supports Trump.
